

Brazilian International Olympiads 2026

BIOPh REGULATIONS

I Preliminary Provisions

- i) The Brazilian International Olympiads are organized by the Núcleo Olímpico de Incentivo ao Conhecimento (NOIC) through its team of collaborators. NOIC is a non-profit initiative created in 2013 by students experienced in scientific olympiads with the purpose of helping students prepare for these competitions. With 13 years of history, it maintains a platform containing study guides, theoretical courses, mock exams, among other resources, having already surpassed 7 million views.
- ii) In 2026, NOIC launched the Brazilian International Olympiads (BIOs) project and is currently the coordinating body of BIOA, BIOArt, BIOB, BIOS, BIOE-con, BIOPh, BIOEPH, BIOI, BIOL, BIOM, BIOCh and BIOR.
- iii) NOIC is responsible for the preparation and administration of the examinations, as well as their grading and the distribution of awards. The NOIC departments are responsible for preparing and grading the examinations, while the BIOs Board is responsible for the administration of the competitions, the delivery of awards and communication with partners.
- iv) This regulation presents the specific rules and information for BIOPh.
